**October 7 & 8** - It was at one of the most *unlikely* places - a bus stop - where **Joe Amaral** decided to give God a chance. And those who

knew Joe as an outrageously rebellious teenager would have considered him one of the most *unlikely* people to become a minister of the Gospel! Once nicknamed "Smokin' Joe;" this former rebel was not only immediately set free from his two-pack-a-day addiction, he finally came to the realization that God had an incredible plan for his life!

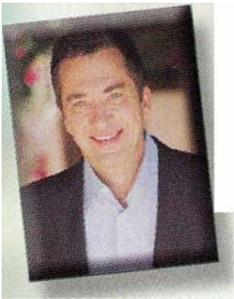

**October 9 - Dr. Grant Mullen** writes and lectures widely on how medical treatment, deliverance and inner healing all work together to break the chains of emotional bondage through the power of the Holy Spirit. His most recent book, *The Breakthrough Solution*, examines human behaviour in the workplace, while also providing practical and easy-to-use steps for implementing positive change relation ally and corporately.

**October 13** - The Agape Home for HIV babies and children was founded by **Avis Rideout**, a Canadian-born volunteer missionary who served in a refugee camp along the Thailand-Cambodian border. This home has become a safe haven of love where lives have been changed and those

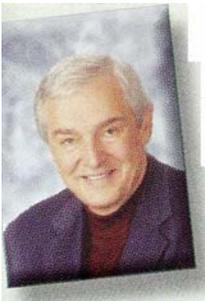

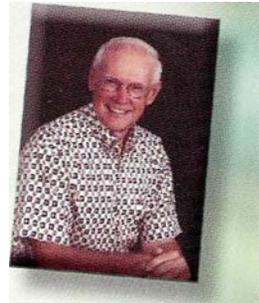

once forgotten are given a future of hope. Avis knows that God can reach these children in a very special way, as He did for her when she was only six years old.

**October 14** - As the founder and administrator of the online social networking disability site - [SoulfulEncounters.com](http://SoulfulEncounters.com) - **Louise Maxwell** works with a team of specialists who have a diverse knowledge in psychology, social work and clinical pharmacy. Along with a medical background in this area herself, Louise personally understands what it's like to be physically disabled after miraculously surviving a debilitating car accident.

**October 15** - Offering easy-to-understand advice on making relationships better has been the focus of Christian psychologist **Dr. Henry Cloud**, both in books and on his nationally syndicated radio program, *New Life Live*. Altogether he has written or co-authored 19 books, including the million-seller, *Boundaries*. His latest release, *The Secret Things of God*, outlines 20 principles to help readers unlock "the secrets to making life work:"

**October 16** - It took 30 years of research, education and writing for Dave **Carder** to complete his book and accompanying workbook, *How In The World Did A Guy Like Me Get Involved In A Project Like This?* Dealing with the topic of adultery and "why men so easily ... trash their families, careers - and even their lives - to engage in infidelity;" Dave confronts the pressing issues that are threatening today's marriages.

**October 20-31** - Raised in a family that was deeply committed to ministry, **Dr. David Jeremiah** determined from a young age to pursue God's call on his life. He has since become an internationally known speaker, best-selling author, the recipient of two Gold Medallion Awards, and the founder of Turning Point Radio and Television Ministries. Dr. Jeremiah will be focussing on the topic of end-times prophecy from his latest book, *What in the World is Going On?*
